

SPONSOR A CHILD

MONTHLY BANK TRANSFER 29€

The sponsorship allows a child to go to the school instead of meeting the financial needs for his family. It is generally used to buy school supplies and clothes. The only wanted counterparty is the proof that the child continues his schooling.

The sponsorship is more than a financial support, it establishes a link of solidarity and exchange. It allows in particular to discover a new culture and the country of origin of the sponsorchild through exchanged letters and photos.
